2010 Power Networking Centre

Guest Registration Form

November 15, 16 & 17, 2010, Metro Toronto Convention Centre

APPrO and OSEA encourage you to come and walk the show to visit and network with our Exhibitors and Conference Delegates. Walk the floor at the 2010 PNC and gain access to largest concentration of generators in Canada, over the full spectrum of generation technologies.

Each day is packed with opportunities to meet not only the 2010 PNC exhibitors, but depending on which day you choose, you will rub elbows with delegates from both the APPrO 2010 and the OSEA Community Power delegates. Take advantage of a comfortable layout to meet and engage the exhibitors and delegates, attend the Delegate Reception or grab lunch or coffee to maximize your visit. Or attend the Presentation Cafe sessions: three days of programming, right on the trade show floor, featuring expert speakers and panels discussing the latest powergen industry innovations.

Please indicate the date you would like to attend and fill in the full contact information below. You may use an additional sheet for more than two passes. Indicate your method of payment and details on the following page of this form and fax it to our office at 416-977-4441. Please note that complete information must be provided and payment made before badges are prepared!
